Why Exhibit with Us?

01

Exhibiting at the Green Arch Trade & Real Estate Expo offers you the opportunity:

- to showcase your products,
- offer development plans, and
- introduce your properties to a wide range of prospective buyers.

02

At the same time Green Arch, also aims to:

- provide options to prospective buyers,
- apprise residents of the UK about the changing real estate market, and
- provide confidence that genuine projects and properties are being offered and sold.

Investing in Real Estate

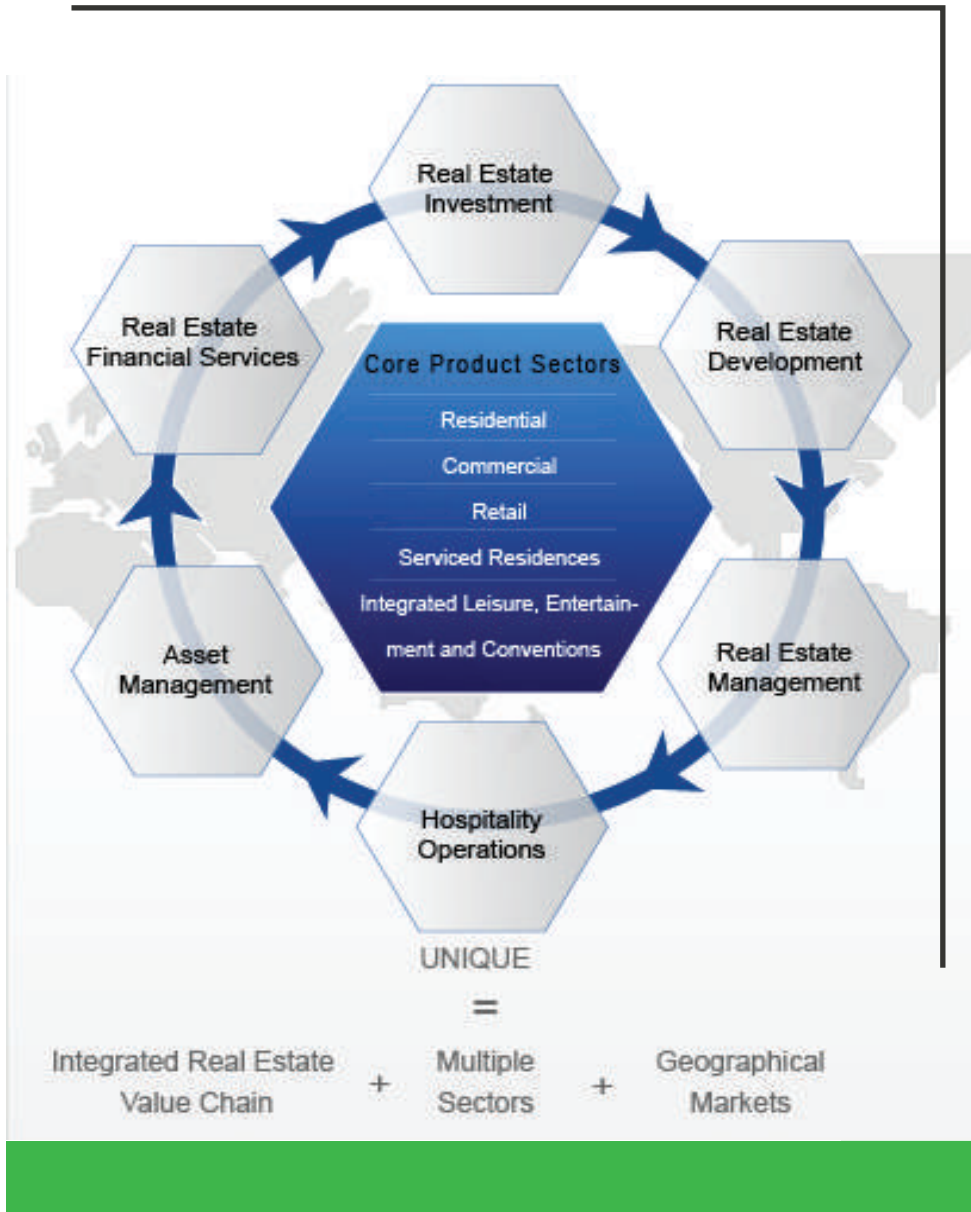

The construction sector in this country spends nearly 5.2 billion dollars per year, approximately 2% in the real estate sector.

Investing in real estate in Pakistan has experienced a tremendous boom in recent years, and now is the right time to get involved.

Private developers have made a significant contribution to the real estate market, with projects like Bahria, DHA, Top City, Muntaz City, Capital Smart, and Movida changing the lifestyle of the nation.

Current market situation has made property prices more affordable, now is the right time to invest.
